

Aiming High Together: To Inspire, Achieve and Succeed, we will aim high and build dreams and futures together

Providing the highest quality education, care and support for the whole school community.

Our mission statement is based on RESPECT:

- R = Recognising the needs of the individual child
- E = Ensuring a unique and engaging curriculum
- S = Supporting each other to learn and achieve
- P = Passionate about providing the highest quality education
- E = Encouraging creativity, self expression and imagination
- C = Creating confident, resilient, life long learners
- T = The voice of everybody is heard

All the above statements help us to understand how we can all make a positive contribution to the school and the wider community.

We do this through our core values:

- respect - resilience - kindness - confidence

Objectives 2021/22

• To continue to promote physical exercise and healthy lifestyles and further embed physical activity into the school day through active playgrounds and
active teaching.
• To provide outstanding Physical Education opportunities and enrich the sports curriculum further to promote health and well-being as a whole school
approach.
 To develop and include active lessons across the wider curriculum.
• To provide staff with further professional development and resources to maintain a whole school approach to the teaching of PE and sport - building
capacity and capability across school, including CPD for new staff members.

- To continue to broaden the inclusive sporting activities currently offered by school, including the development of the KS2 playground to increase sports activities at lunchtimes and after-school.
- To continue to embed new sports and other activities to encourage more pupils to take up sport and physical activities.
- To develop more opportunities for all pupils to access inclusive Intra sport activities and competitions.
- To increase the percentage of girls and least active children participating in extra-curricular sporting activities.
- To partner with other local schools to increase opportunities for girls and least active pupils to access more sports activities and clubs.
- To continue to encourage pupils to take on leadership or volunteer roles that support sport and physical activity within the school.

To further broaden and support all staff in developing the inclusive sporting activities currently offered by school. To continue to develop the Intra School Sports and Activities programme to ensure all pupils have access and participate regularly in Intra Sports activities.	Support staff in the delivery of the new PE scheme of work, focusing on key skills, differentiation and progression from session to session. NQTs and RQTs will be supported. Continue to support staff in the preparation of sports teams for sports competitions, including virtual competitions within the Local Authority. Premier Sports coach to lead on alternative inclusive sports programme to enrich the PE and Sport curriculum: fencing, boccia, curling, Frisbee golf, Tri-Golf, archery and lacrosse.	A broader range of sports is offered to all pupils to enrich the PE and Sport curriculum. The sports curriculum has been redesigned for 2022-2023 to build on these new sports offered this academic year, which will provide more variety and inclusivity. There is an increased participation in competitive sport across KS1 and KS2, including access to virtual games. A wider range of inclusive sports competitions held across school – including Inter-House Lacrosse, Boccia, Basketball, Curling, Archery, Tri-Golf, Frisbee Golf, Fencing. All year groups have accessed a range of Inter-House competitions across the school year. There is an increased participation of all children across school in inclusive Intra Sports competitions (Inter-House competitive sports). A high level of participation in School Games events across KS1 and KS2 (including virtual games) will be sustained. There is an increased number of staff members leading teams at sports competitions and sporting events within the authority (including virtual games). There has been more limited involvement in the School Games events this year due to Covid-19 restrictions and limited events available, but school have participated in football events (boys/ girls/ mixed) and cricket this year. The planned netball and basketball events did not go ahead. School will look to develop this further next academic year.

Sustainability and suggested next steps:

School to revisit the sports programme covered 2021-2022 and gain additional pupil feedback Autumn 2022, to plan the delivery of the inclusive sports programme 2022-2023.

Sports subject leaders to review staff questionnaires and pupil voice in the planning of future activities and events.

Introduce the new sports curriculum for 2022-2023, which now builds further on the sports delivery and CPD from 2021-2022.

Review the Sports Events calendar offered by LLG and Wigan Sports Coordinators to ensure coverage of events across school 2022-2023 and begin to build in competitive sports events for more children across school, where available.

Utilise the skills of experienced staff to support newer staff members to become actively involved in sporting events throughout the year.

To further develop the KS2 playground space and provision in order to increase pupil engagement in regular physical activity, at lunchtimes and after school. To extend and broaden the current delivery of the 60 Active Minutes across school through extending the provision available on the KS2 playground.	Liaise with play leaders and pupils across school to purchase additional equipment to supplement and/or replace playground equipment purchased last year. Purchase new playground equipment for all year groups. Redevelop the playground space and purchase new outdoor all-weather equipment for the KS2 playground (i.e. all weather gym equipment) to encourage least active pupils to engage in alternative forms of physical activity at playtimes and lunchtimes. Install external lighting on KS2 playground in order for the space to be used for sports activities afterschool all- year round (outdoor sports activities currently unable to take place from October to March due to poor lighting in Winter/ Spring).	An increase in physical activity is embedded further into school day through improved facilities on the KS2 playground (e.g. outdoor gym equipment, lighting facilities in order to deliver extra-curricular clubs after school in Autumn/ Spring Terms). The profile of PE is raised across the school as a tool for whole- school improvement. The least active pupils have increased opportunities to become involved in physical activity at lunchtime, playtime and afterschool. The number of pupils engaging in the 60 Active Minutes throughout the school day has increased. Outdoor Gym Equipment has now been ordered for KS2 playground and due to be fitted once groundwork is completed early Autumn 2022. This will provide an additional opportunity for those pupils who do not wish to engage in the sports activities offered at lunchtime on a daily basis to remain active at playtimes. The playground lighting has been reviewed with the prospect of further development next academic year.	

Sustainability and suggested next steps:		
Review playground timetables and adult supervision to ensure opportunities to use the equipment across school are frequent and sustainable.
