Dear Parents/ Carers,

As we approach the half term break, following what has been another incredibly challenging half term, I wanted to say a huge thank you to yourselves and your families for your continued support. I would particularly like to thank the children for working so hard to complete the remote learning tasks. I know that families are working hard to support the children in this, and I would like to say once again, that you are all doing a fantastic job! Please continue to prioritise the work in a way that suits your own family circumstances.

We appreciate that many families have been affected during this term by Covid-19. Likewise, as a school, we have had to deal with many staff absence and illness. This week and last week we have been dealing with an average of 9 or 10 staff absences per day. Despite this, we have managed to keep class bubbles open and to ensure that the 'home learning' has continued to be managed at a high level in the absence of the class teacher. I feel that it is a credit to the whole school team that through their commitment, they have worked over and above in order to support each other and to continue to provide for the children.

All our staff really look forward to the time when the children can return safely to school. As soon as we have any information from the Government, we will, of course, share this with you.

I would like to wish you a relaxing half term with your families. Take care and stay safe.

Kind regards,  
Mrs Westhead  
Headteacher
