Lowton West Primary School

Full re-opening of school in September Risk Assessment/Action Plan

Risk assessment - Revised 01.11.202 and 01.12.2020: Refer to Sections 63 and 64 (new ventilation controls/ ECV staff to shield during second national lockdown)

Risk assessment - Revised January 8th 2021 (following the government announcement for schools to close with the exception of provision for key worker pupils and vulnerable pupils). Refer to any amendments in red text and to Section 65.

Risk assessment – Revised January 25th 2021 (the most updated guidance in relation to what constitutes a 'close contact'; Lateral Flow Device (LFD) testing kits for staff to be administered as from week commencing 25.01.2021; use of photocopier – section 3.11).

Risk assessment – Revised 24th February 2021 (in line with latest guidance February 2021: for the return of all pupils to school as from 8th March 2021 following the government announcement on 22.02.2021. Refer to all amendments in blue text throughout and refer to Section 68 to 71).

At Lowton West, we want to be able to get children back into education as soon possible. This can only be done once we are assured that educational settings are as safe as they possibly can be for children and staff. We will work with Local Authorities, school staff and unions to support our schools in working towards, and planning for, a safe re-opening of school for children, families and staff.

Our school will:

- Follow the latest government guidance
- Work alongside Wigan LA H&S Department to ensure that risk assessments are carried out fully and used to create safe working environments for staff and pupils.
- Use the risk assessments to **plan** what measures need to be put in place to ensure safety of pupils, staff and families.
- Engage fully with staff, unions and Governors to ensure that all are consulted about the risk assessments and have contributed to the planning.
- Monitor and review the risk assessments on a Daily and weekly basis making adjustments where necessary to further improve the systems within school.

Hazards	Risk	Actions/Control Measures	Who?
1. Prevention: Minimise	М	1.1 Children will remain in their year group bubbles (Revised	All staff, Govs, visitors to school, supply staff
contact between		08.01.2021: with a reduced number of pupils in school and the	
individuals and maintain		majority of pupils accessing their curriculum through remote home	Cl : (((CC)
social distancing		learning from January 2021).	Cleaning staff (ISS)
wherever possible		Revised 24.02.2021: All pupils to return to school from 8 th March 2021.	Kitchen staff (Metrofresh)
		1.2 Implement government guidance – limiting mixing of bubbles through limited staff and limited movement around school	
		1.3 Plan lunchtime supervision/ PPA	
		1.4 Record which staff and pupils mix in bubbles/ visitors to school (who	
		they work with)/ PPA staff covering classes (record via PPA timetable)/	
		midday staff covering (record any changes to the lunchtime plan).	

1.5 The overarching principle we will apply will be reducing the number of contacts between children and staff. This will be achieved through keeping groups separate (in 'bubbles') and through maintaining distance between individuals. These are not alternative options and both measures will help.

Revised 08.01.2021: Bubble sizes will be reduced in order to maintain a 2 metre distance distance from the teachers work space to the children in class and to maintain at least a 1 metre distance for all pupils (although the government recognise that this is not always possible all of the time with the youngest children).

Revised 24.02.2021: As from 8th March 2021, all pupils will return to the classroom and a distance of 1m will not be able to be maintained between desks. However, with the exception of the youngest children, pupils will be seated at desks facing forwards and will be sat side by side again.

1.7 How we will group children:

The consistent groups (bubbles) will help reduce the risk of transmission by limiting the number of pupils and staff in contact with each other to only those within the group. This provides an additional protective measure. Maintaining distinct groups or 'bubbles' that do not mix makes it quicker and easier in the event of a positive case to identify those who may need to self-isolate, and keep that number as small as possible.

1.8 In the government guidance for schools for the autumn term, maintaining consistent groups remains important, but given the increase in the prevalence of coronavirus (COVID-19) and the recent government announcement, we have now decreased the size of these groups.

Revised 08.01.2021: As from 05.01.2021, we have reduced number of pupils in school (limiting places to key worker and vulnerable pupils only) and the majority of pupils will be accessing their curriculum through remote home learning (following the government announcement on 04.01.2021).

Revised 24.02.2021: As from 8th March 2021, all pupils will return to the classroom. Class or year group bubbles will continue to be in operation in order to minimise staff and pupils' contact with each other.

- 1.9 The bubbles will be kept apart from other groups where possible and all children, particularly the older pupils, will be encouraged to keep their distance within groups.
- 1.10 We will take steps to limit interaction, sharing of rooms and social spaces between groups as much as possible. Revised 08.01.2021: We recognise that younger children struggle to maintain social distancing, therefore staff will plan activities and adapt the learning environment to support this.

1.11 School understands the approaches of separating groups and maintaining distance are not 'all-or-nothing' options, and will still bring benefits even if implemented partially. Revised 08.01.2021: As a school, we will keep children in their class groups during the classroom time, but remove the mixing into wider groups for specialist teaching (e.g. phonics; EYFS) until the prevalence of the coronavirus in the local community decreases significantly. Siblings will be in different groups. We will endeavour to keep the same person entering the bubble for PPA cover and the PPA staff will be asked to social distance in the few bubbles that they cover. Revised 24.02.2021: School may keep pupils in their class groups for most of the classroom time, but also allow mixing in wider groups for: • specialist teaching

time, but also allow mixing in wider groups for:	
• Specialist teaching	
• wraparound care	
• transport	
1.12 As a school we understand that, in line with government guidance,	
teachers and other staff can operate across different classes and year	
groups in order to facilitate the delivery of the school timetable. We will	
continue to limit this movement wherever possible. However, this may	
be the case for some midday cover supervision and PPA cover in other	
instances where deemed necessary to ensure the effective and and safe	
running of the school (Revised 08.01.2021).	
Revised 24.02.2021: All teachers and other staff can operate across	
different classes and year groups to facilitate the delivery of the	
timetable and specialist provision. Where staff need to move between	
groups, they should try and keep their distance from pupils and other	
staff as much as they can, ideally 2 metres from other adults. We will try	
to minimise the number of interactions or changes wherever possible.	
to minimise the number of interactions of changes wherever possible.	
2 Prevention: Measures within M 2.1 Maintaining a distance between people whilst inside and reducing All staff, governors, pupils, visitors to school	
the classroom the amount of time they are in face to contact lowers the risk of	
transmission. Adults should maintain 2 metre distance from each other,	
Prevention: Measures and from children. We know that this is not always possible, particularly	
elsewhere when working with younger children, but all staff will aim to do this. In	
particular, all staff must avoid close face to face contact and minimise	
Prevention: Measures for time spent within 1 metre of anyone. Similarly, this will not be possible	
arriving at and leaving school for staff working with pupils who have complex needs or who need close	
contact care. In line with the government guidance, these pupils'	
Prevention: Other educational and care support will be provided as normal.	
considerations 2.2 For children old enough, they will be supported to maintain distance	
and not touch staff and their peers where possible. This may not be All staff	
and not touch stan and their peers where possible. This may not be All stan	

possible for the youngest children and some children with complex needs and may not be feasible if space does not allow. At Lowton West, we will adhere to this where we can as we understand that even doing this some of the time, will help. 2.3 The school will make small adaptations to the classroom to support social distancing. This will include seating pupils side by side and facing All staff, SBM forwards, rather than face to face or side on. Children will sit spaced out along rows of desks, facing the front (in line with the government guidance). Revised 08.01.2021: Pupils desks will be positioned at least 2 metres from the front of the classroom and pupils will maintain at least 1 metre distance from each other whilst seated **Revised 24.02.2021:** (as from 8th March, this will not be possible and classrooms will revert back to the layout used during the Autumn term All staff 2020, i.e. desks facing forward and pupils sat facing forward - with the exception of the youngest children). Boxes of tissues to be placed so that they are easily accessible. Bins to be provided in all classrooms (lidded bins/ double bagged). 2.4 Groups should be kept apart, meaning that schools should avoid large gatherings such as assemblies or collective worship with more than one group. Classes will have collective worship in class in order to keep HT/ DHT movement around the school site to a minimum. 2.5 While we understand that passing briefly in the corridor or playground is lower risk, everything has been done to avoid creating busy corridors, entrances and exits. School has put into place staggered break times and lunch times (and has planned time for cleaning surfaces). **Revised 08.01.2021:** The reduced numbers of pupils in school accessing the corridor and toilet facilities will reduce the risk of exposure to the new Covid-19 variant. Revised 24.02.2021: As from 8th March, all pupils will return to school. 2.6 The HT and DHT will also plan how shared staff spaces are set up and used to help staff to distance from each other. Use of the staff room will be minimised. 2.7 The school will operate adjusted and staggered starts and finish times to keep groups apart as they arrive and leave school. Staggered start and finish times will not reduce the amount of overall teaching 2.8 School will communicate staggered start and finish times to parents Supply staff/ peripatetic staff via a letter and will remind parents about the process that has been agreed for drop off and collection, including that gathering at the school gates and otherwise coming onto the site without an appointment is not

HT/ School office staff

allowed.

2.9 Some pupils with SEND (whether with education, health and care	
plans or on SEN support) will need specific help and preparation for the changes to routine that this will involve, so teachers and the SENCo will	
plan to meet these needs, for example using social stories.	
2.10 We are aware from the government guidance that supply teachers,	School Office staff
peripatetic teachers and/or other temporary staff can move between	School Office Staff
schools. They should ensure they minimise contact and maintain as	
much distance as possible from other staff. This will be communicated to	
our supply staff who will be covering the PPA timetable.	UT / DUT
2.11 Specialists, therapists, clinicians and other support staff for pupils	HT/ DHT
with SEND will provide interventions as usual. Schools will manage other	
visitors to the site, such as contractors, by providing them with a	
'Summary of Processes for Visitors' prior to arrival and/ or by verbally	
explaining the guidance on physical distancing and hygiene. Revised	
08.01.2021: School will limit the visitors to the site wherever possible.	
2.12 Where visits can happen outside of school hours, they should.	
2.13 A record should be kept of all visitors. Visitors will be asked to note	All staff
down their name and contact telephone number in case there is an	
outbreak and they need to be contacted via trace and test.	
2.14 Where the school has a pupil who routinely attends more than one	
setting on a part time basis, for example, because they spend a day a	
week at an alternative provision setting or special school, Lowton West	Staff in bubbles
staff will work through the system of controls collaboratively, enabling	
both schools to address any risks identified and to allow both schools to	
jointly deliver a broad and balanced curriculum for the child. Risk	Staff in bubbles
assessments will be put into place and sent to Mike McCarthy for	
checking.	
2.15 For individual and very frequently used equipment, such as pencils	
and pens, staff and pupils will have their own items that are not shared.	Staff in bubbles/ midday staff
Every pupil will have their own named plastic wallet with their own	
pens, pencils, etc Children are not allowed to bring their own pencil	
cases into school.	HT – letter to parents
2.16 Classroom based resources, such as books and games, will be used	
and shared within the bubble; these will be cleaned regularly, along with	
all frequently touched surfaces.	
2.17 Resources that are shared between classes or bubbles, such as	
sports, art and science equipment will be cleaned frequently and	All staff
meticulously and always between bubbles, or rotated to allow them to	
be left unused and out of reach for a period of 48 hours (72 hours for	
plastics) between use by different bubbles.	
	All staff/ First Aiders

2.18 Outdoor playground equipment will be more frequently cleaned. This will also apply to resources used inside and outside by wraparound care providers.

2.19 Pupils to limit the amount of equipment they bring into school each day, to essentials such as lunch boxes, hats, coats, reading books and water bottles. Small bags will be allowed, but discouraged wherever possible.

2.20 Pupils and teachers can take books and other shared resources home, although unnecessary sharing will be avoided, especially where this does not contribute to pupil education and development. Similar rules on hand cleaning, cleaning of the resources and rotation will apply to these resources.

2.21 Where necessary, staff will wear appropriate personal protective equipment (PPE)

PPE will usually only be needed in a very small number of cases, including:

- where an individual child or young person becomes ill with coronavirus (COVID-19) symptoms while at school
- where a child or young person already has routine intimate care needs that involves the use of PPE, in which case the same PPE should continue to be used

Revised 24.02.2021: Ensure individuals wear the appropriate personal protective equipment (PPE) where necessary

Face coverings are not classified as PPE (personal protective equipment). PPE is used in a limited number of settings to protect wearers against hazards and risks, such as surgical masks or respirators used in medical and industrial settings. A face covering is a covering of any type which covers your nose and mouth.

Most staff in schools will not require PPE beyond what they would normally need for their work. If a pupil already has routine intimate care needs that involve the use of PPE, the same PPE should continue to be used. Additional PPE for coronavirus (COVID-19) is only required in a very limited number of scenarios, for example, when:

- a pupil becomes ill with coronavirus (COVID-19) symptoms, and only then if a 2 metre distance cannot be maintained
- performing aerosol generating procedures (AGPs)

When working with children and young people who cough, spit or vomit but do not have coronavirus (COVID-19) symptoms, only any PPE that would be routinely worn, should be worn.

		The guidance on safe working in education, childcare and children's	
		social care provides more information about preventing and controlling	
		infection. This includes:	
		when and how PPE should be used	
		what type of PPE to use	
		how to source it	
3 Prevention: Enhanced	M	3.1 School Business Manager to review capacity for cleaning across	SBM/ HT
cleaning, including cleaning		school and procure additional hours/support if needed (to be kept

Additional cleaning		3.5 Daily cleaning of classrooms (already in place) with increased	
resources/products		cleaning of pupils' desks throughout the day (Revised 08.01.2021)	
Review of cleaning		3.6 Preparations for deep cleans if necessary	
Additional touch point		3.7 Handles/ other touch points to be cleaned at mid points during the	
cleaning daily		day	
cleaning daily		3.8 School has put into place a cleaning schedule that ensures cleaning	
		is generally enhanced and includes:	
		more frequent cleaning of rooms / shared areas that are used by	
		different groups	
		frequently touched surfaces being cleaned more often than normal	
		3.9 different groups don't need to be allocated their own toilet blocks,	
		but toilets will be cleaned regularly and pupils must be encouraged	
		to clean their hands thoroughly after using the toilet	
		Revised 08.01.2021: Pupils will continue to use the toilet and sink	
		facilities in shared areas using staggered times wherever possible to	
		minimise contact with other bubbles at all times.	
		3.10An additional cleaner has been secured (providing 3 additional	
		hours per day).	
		Revised 25.01.2021:	
		3.11 Staff to wear plastic gloves when using the photocopier (available	
		in photocopying room) and wipe down photocopier before and after use	
		(wipes will be available in photocopying room).	
4. Prevention: If a child becomes	M	4.1 If a child becomes unwell and is awaiting collection, they should be	All staff/ First Aiders/ Caretaker/ Cleaners
unwell in school		moved to the hygiene room where they can be isolated behind a closed	
		door (depending on the age and needs of the child). There should be	
		appropriate adult supervision. The window should be opened for	
		ventilation.	

		4.2 If the continuous theorem and third other is consulted and it is a second of the continuous theorem.	
		4.2 If there is more than one child who is unwell, and it is not possible to	
		isolate them in the hygiene room, move them to an area which is at	
		least 2 metres away from other people.	
		4.3 If a pupils needs to go to the bathroom while waiting to be collected,	
		they should use the disabled toilet. The bathroom must be cleaned and	
		disinfected using standard cleaning products before being used by	
		anyone else.	
		4.4 PPE must be worn by staff caring for the child while they await	
		collection if a distance of 2 metres cannot be maintained (such as for a	
		very young child or a child with complex needs).	
		4.5 As is usual practice, in an emergency, call 999 if someone is seriously	
		ill or injured or their life is at risk. Anyone with coronavirus (COVID-19)	
		symptoms should not visit the GP, pharmacy, urgent care centre or a	
		hospital.	
		4.6 Any members of staff who have helped someone with symptoms	
		and any pupils who have been in close contact with them do not need to	
		go home to self-isolate unless they develop symptoms themselves (in	
		which case, they should arrange a test) or if the symptomatic person	
		subsequently tests positive (see below) or they have been requested to	
		do so by NHS Test and Trace or they have tested positive from an LFD	
		test <u>(revised 24.02.2021).</u>	
		4.7 Everyone must wash their hands thoroughly for 20 seconds with	
		soap and running water or use hand sanitiser after any contact with	
		someone who is unwell. The area around the person with symptoms	
		must be cleaned with normal household bleach after they have left to	
		reduce the risk of passing the infection on to other people. See	
		the COVID-19: cleaning of non-healthcare settings guidance.	
		4.8 Public Health England is clear that routinely taking the temperature	
		of pupils is not recommended as this is an unreliable method for	
		identifying coronavirus (COVID-19).	
5 Prevention: Face coverings	L/M	Revised 08.01.2021:	All staff
		5.1 Face coverings/ face shields must be worn by adults moving around	
		the communal school areas and corridors and in the staffroom/	
		offices and photocopying room. Staff should also wear face	
		coverings/ face shields in the classroom as much as possible, unless	HT inform parents - letter
		they feel that the use of the face covering would have a negative	
		impact on the learning and teaching in a particular lesson. However,	
		most of the time (if possible all of the time), a face covering/ face	
		shield should be worn. Parents have been asked to wear face	
		coverings when dropping off or collecting children. Children are	
		allowed to wear face coverings in school if they so wish, although	
		this is not compulsory for pupils of primary school age.	

Revised 24.02.2021:

Face visors or shields should not be worn as an alternative to face coverings when moving around the communal areas in school. A face covering should be worn.

Therefore, staff should not wear face visors or shields when moving around the communal areas - face covering must be worn. They may protect against droplet spread in specific circumstances but are unlikely to be effective in reducing aerosol transmission when used without an additional face covering. They should only be used after carrying out a risk assessment for the specific situation and should always be cleaned appropriately.

<u>Exemptions</u>: Some individuals are exempt from wearing face coverings. This applies to those who:

- cannot put on, wear or remove a face covering because of a physical impairment or disability, illness or mental health difficulties
- speak to or provide help to someone who relies on lip reading, clear sound or facial expression to communicate The same exemptions will apply in education and childcare settings and you should be sensitive to those needs, noting that some people are less able to wear face coverings and that the reasons for this may not be visible to others.

Transparent face coverings, which may assist communication with someone who relies on lip reading, clear sound or facial expression to communicate, can also be worn. There is currently very limited evidence regarding the effectiveness or safety of transparent face coverings, but they may be effective in reducing the spread of coronavirus (COVID-19) than not wearing a face covering at all.

Those who rely on visual signals for communication, or communicate with or provide support to such individuals, are currently exempt from any requirement to wear face coverings in schools or in public places.

Access to face coverings Due to the increasing use of face coverings in wider society, staff and pupils are already likely to have access to face coverings. PHE has also published guidance on how to make a simple face covering.

The school will have a contingency supply available for people who:

• are struggling to access a face covering

			All staff
respiratory hygiene by promoting the 'catch it, bin it, kill it' approach		the 'catch it, bin it, kill it' approach. 6.2 School will ensure that there are enough tissues and bins available in classes to support pupils and staff to follow this routine.	SBM
6. Prevention: Ensure good	L	6.1 General reminders for respiratory hygiene; teaching and promoting	All staff
		them • wash their hands again before heading to their classroom. Separate guidance is available on: • preventing and controlling infection, including the use of PPE, in 'education, childcare and children's social care settings'.	
		Staff must instruct pupils to: • not touch the front of their face covering during use or when removing it • dispose of temporary face coverings in a 'black bag' waste bin (not recycling bin) • place reusable face coverings in a plastic bag they can take home with	
		Safe wearing of face coverings requires the: • cleaning of hands before and after touching – including to remove or put them on • safe storage of them in individual, sealable plastic bags between use Where a face covering becomes damp, it should not be worn, and the face covering should be replaced carefully. Staff and pupils may consider bringing a spare face covering to wear if their face covering becomes damp during the day.	
		 have forgotten their face covering 5.2 When pupils and staff arrive in school using face coverings, they should not touch the front of their face covering during use or when removing them. They should wash their hands immediately upon arrival and dispose of temporary face coverings in a covered bin or place reusable face coverings in a plastic bag they can take home with them, and then wash their hands again before heading to their classroom. Revised 24.02.2021: Safe wearing and removal of face coverings: 	
		are unable to use their face covering as it has become damp, soiled or unsafe	

	7		
		 6.3 As with hand cleaning, school will ensure that younger children and those with complex needs are helped to get this right, and all pupils understand that this is now part of how school operates. 6.4 Some pupils with complex needs will struggle to maintain as good respiratory hygiene as their peers, for example those who spit uncontrollably or use saliva as a sensory stimulant. This will be considered in risk assessments in order to support these pupils and the staff working with them, and will not be a reason to deny these pupils face to face education. 	HT/ SENCo (DHT)/ relevant staff members
7. Prevention: Minimising contact	L	7.1 The HT will inform staff and parents that that those who have	HT
with individuals who are unwell		coronavirus (COVID-19) symptoms, or who have someone in their household who does, do not attend school. This also includes if someone in their support bubble has symptoms (revised 24.02.2021). 7.2 Pupils, staff and other adults must not come into the school if they have had coronavirus (COVID-19) symptoms, or have tested positive in the last 7 days, and if anyone developing those symptoms during the school day is sent home, essential actions will be taken to reduce the risk in school and further drive down transmission of coronavirus (COVID-19). 7.3 If anyone in the school becomes unwell with a new, continuous cough or a high temperature, or has a loss of, or change in, their normal sense of taste or smell (anosmia), they must be sent home and advised to follow 'stay at home: guidance for households with possible or confirmed coronavirus (COVID-19) infection', which sets out that they must self-isolate for at least 10 days and should arrange to have a test to see if they have coronavirus (COVID-19). Other members of their household (including any siblings) should self-isolate for 10 days from when the symptomatic person first had symptoms.	All staff All staff
		Revised 24.02.2021: Prevention: The school will continue to minimise contact with individuals who are required to self-isolate by ensuring they do not attend school. Pupils, staff and other adults must not come into the school if: • they have one or more coronavirus (COVID-19) symptoms • a member of their household (including someone in their support bubble or childcare bubble if they have one) has coronavirus (COVID-19) symptoms • they are required to quarantine having recently visited countries outside the Common Travel Area • they have had a positive test	HT to remind parents and staff prior to return of all pupils on 8 th March 2021.

		They must immediately cease to attend and not attend for at least 10	
		days from the day after:	
		• the start of their symptoms	
		• the test date if they did not have any symptoms but have had a	
		positive test (whether this was a Lateral Flow Device (LFD) or	
		Polymerase Chain Reaction (PCR) test)	
		All staff must follow this process and ensure everyone onsite or visiting is aware of it.	
		is aware of it.	
		Anyone told to isolate by NHS Test and Trace or by their public health	
		protection team has a legal obligation to self-isolate, but you may leave	
		home to avoid injury or illness or to escape risk of harm. More	
		information can be found on NHS Test and Trace: how it works.	
		If anyone in your school develops a new and continuous cough or a high	
		temperature, or has a loss of, or change in, their normal sense of taste	
		or smell (anosmia), you:	
		• must send them home to begin isolation - the isolation period includes	
		the day the symptoms started and the next 10 full days	
		advise them to follow the 'guidance for households with possible or an firm and account of (CO) (ID 40) in faction (CO)	
		confirmed coronavirus (COVID-19) infection'	
		• advise them to arrange to have a test as soon as possible to see if they	
		have coronavirus (COVID-19).	
		Other members of their household (including any siblings and members	
		of their support or childcare bubble if they have one) should self-isolate.	
		Their isolation period includes the day symptoms started for the first	
		person in their household, or the day their test was taken if they did not	
		have symptoms, whether this was a Lateral Flow Device (LFD) or	
		Polymerase Chain Reaction (PCR) test), and the next 10 full days. If a	
		member of the household starts to display symptoms while self isolating	
		they will need to restart the 10 day isolation period and book a test.	
		If anyone tests positive whilst not experiencing symptoms but develop	
		symptoms during the isolation period, they must restart the 10 day	
		isolation period from the day they developed symptoms.

Good personal hygiene		(in line with government guidance)	
Good personal hygiene		(in time with government galadite)	

Risk around ingestion		 Revised 24.02.2021: Time for washing of hands must continue to be built into the timetable/ lesson plans. Staff working with pupils who spit uncontrollably may want more opportunities to wash their hands than other staff. Pupils who use saliva as a sensory stimulant or who struggle with 'catch it, bin it, kill it' may also need more opportunities to wash their hands. Continue to help pupils with complex needs to clean their hands properly. Frequent and thorough hand cleaning should now be regular practice. 8.3 Classes to teach children hand washing techniques 8.4 All pupils, particularly younger pupils and pupils with complex needs, must be supervised when using hand sanitiser to ensure that they do not put their hands into their mouths (given risks around ingestion). Small children and pupils with complex needs should continue to be helped to clean their hands properly. Skin friendly skin cleaning wipes may be used as an alternative. 8.5 Staff will take time in the first few weeks to teach the importance of good hygiene and build these routines into school culture, supported by behaviour expectations and helping ensure younger children and those with complex needs understand the need to follow them. 	Office staff
9 Response to any infection:	M	8.6 Distribute key information posters for signage9.1 School staff to ensure they understand the NHS Test and Trace	All staff
9. Response to any infection: Engage with the NHS Test and	IVI	process and how to contact their local Public Health England health	All Stall
Trace process		protection team. School will ensure that staff members and	
		parents/carers understand that they will need to be ready and willing to:	
		 book a test if they are displaying symptoms. Staff and pupils 	
		must not come into the school if they have symptoms, and	
		must be sent home to self-isolate if they develop them in school. All children can be tested, including children under 5,	
		but children aged 11 and under will need to be helped by their	
		parents/carers if using a home testing kit	
		 provide details of anyone they have been in close contact with if they were to test positive for coronavirus (COVID-19) or if 	
		asked by NHS Test and Trace	
		self-isolate if they have been in close contact with someone	
		who develops coronavirus (COVID-19) symptoms or someone	
		who tests positive for coronavirus (COVID-19)	

9.2 Anyone who displays symptoms of coronavirus (COVID-19) can and should get a test. Tests can be booked online through the NHS testing and tracing for coronavirus website, or ordered by telephone via NHS 119 for those without access to the internet. Essential workers, which includes anyone involved in education or childcare, have priority access to testing.

9.3 Staff have been made aware of this. Parents will be informed via letter.

9.4 Staff and parents must inform school immediately in of the results of a test:

- if someone tests negative, if they feel well and no longer have symptoms similar to coronavirus (COVID-19), they can stop selfisolating. They could still have another virus, such as a cold or flu – in which case it is still best to avoid contact with other people until they are better. Other members of their household can stop self-isolating.
- if someone tests positive, they should follow the 'stay at home: guidance for households with possible or confirmed coronavirus (COVID-19) infection' and must continue to self-isolate for at least 10 days from the onset of their symptoms and then return to school only if they do not have symptoms other than cough or loss of sense of smell/taste. This is because a cough or anosmia can last for several weeks once the infection has gone. The 10-day period starts from the day when they first became ill. If they still have a high temperature, they should keep self-isolating until their temperature returns to normal. Other members of their household should continue self-isolating for the full 10 days.

Amended to 10 days by government (11.12.2020).

Revised 24.02.2021:

School will continue to Promote and engage with the NHS Test and Trace process:

Staff members, parents and carers will need to:

- book a test if they or their child has symptoms the main symptoms are:
 - > a high temperature
 - a new continuous cough
 - > a loss or change to your sense of smell or taste

HT to remind parents/ staff prior to the return of all pupils on 8th March 2021.

		 self-isolate immediately and not come to school if: they develop symptoms they have been in close contact with someone who tests positive for coronavirus (COVID-19) anyone in their household or support or childcare bubble develops symptoms of coronavirus (COVID-19) they are required to do so having recently travelled from certain other countries they have been advised to isolate by NHS test and trace or the PHE local health protection team, which is a legal obligation provide details of anyone they have been in close contact with, if they test positive for coronavirus (COVID-19) or if asked by NHS Test and Trace Polymerase Chain Reactions (PCR) tests for symptomatic testing 	
10. Response to Infection: Manage confirmed cases of coronavirus (COVID-19) amongst the school community	M/H	10.1 The school will take swift action when they become aware that someone who has attended has tested positive for coronavirus (COVID-19). School will contact the local health protection team. This team will also contact schools directly if they become aware that someone who has tested positive for coronavirus (COVID-19) attended the school – as identified by NHS Test and Trace. 10.2 The health protection team will carry out a rapid risk assessment to confirm who has been in close contact with the person during the period that they were infectious, and ensure they are asked to self-isolate. 10.3 The health protection team will work with schools in this situation to guide them through the actions they need to take. Based on the advice from the health protection team, school must send home those people who have been in close contact with the person who has tested positive, advising them to self-isolate immediately and for the next 10 full days counting from the day after contact with the individual who tested positive (revised 24.02.2021). Close contact means (updated 24.02.2021): anyone who lives in the same household as someone with coronavirus (COVID-19) symptoms or who has tested positive for coronavirus (COVID-19) anyone who has had any of the following types of contact with someone who has tested positive for coronavirus (COVID-19) with a PCR or LFD test face-to-face contact including being coughed on or having a face-to- face conversation within 1 metre been within 1 metre for 1 minute or longer without face-to-face contact	PHE

- been within 2 metres of someone for more than 15 minutes
 (either as a one-off contact, or added up together over one day)
- travelled in the same vehicle or a plane

HT/ DHT/ All staff/ Office staff

10.4 The health protection team will provide definitive advice on who must be sent home. To support them in doing so, the government recommends that schools keep a record of pupils and staff in each group, and any close contact that takes places between children and staff in different groups.

At Lowton West, we will have a record of which staff and pupils work in each bubble; who the PPA cover is provided by; who the midday supervision is provided by. Staff must not visit other bubbles and should not have close contact with staff from other bubbles wherever possible. 10.5 A template letter will be provided to school, on the advice of the health protection team, to send to parents and staff if needed. Schools must not share the names or details of people with coronavirus (COVID-19) unless this is essential to protect others.

10.6 Household members of those contacts who are sent home do not need to self-isolate themselves unless the child, young person or staff member who is self-isolating subsequently develops symptoms. If someone in a class or group that has been asked to self-isolate develops symptoms themselves within their 10-day isolation period they should follow 'stay at home: guidance for households with possible or confirmed coronavirus (COVID-19) infection'. They should get a test, and:

- if the test delivers a negative result, they must remain in isolation for the remainder of the 10-day isolation period. This is because they could still develop the coronavirus (COVID-19) within the remaining days.
- if the test result is positive, they should inform their setting immediately, and must isolate from the day of onset of their symptoms and at least the following 10 full days (revised 24.02.2021). Their household should self-isolate for at least 10-day from when the symptomatic person first had symptoms, following 'stay at home: guidance for households with possible or confirmed coronavirus (COVID-19) infection'

In line with the government guidance, school will not request evidence of negative test results or other medical evidence before admitting children or welcoming them back after a period of self-isolation. Further guidance is available on <u>testing and tracing for coronavirus</u> (COVID-19).

13 Pupils who are shielding or self-isolating:

		Revised 24.02.2021: The advice for pupils who have been confirmed as clinically extremely vulnerable is to shield and stay at home as much as possible until further notice. They are advised not to attend school while shielding advice applies nationally. School will provide remote education to pupils who are unable to attend school because they are complying with government guidance or legislation around coronavirus (COVID-19), in the circumstances provided for in the Remote Education Temporary Continuity Direction. 13.4 In the event of a Bubble closing, staff will provide work on Seesaw and respond to the children's work. 13.5 Where children are not able to attend school as parents are following clinical and/or public health advice, absence will not be penalised.	
14 Staff Attendance: Staff who are clinically vulnerable or extremely clinically vulnerable	L/M	14.1 Staff Attendance: It remains the case that wider government policy advises those who can work from home to do so. The government recognises that this will not	
People who live with those who are clinically extremely vulnerable or clinically vulnerable		be applicable to most school staff, but where a role may be conducive to home working, for example some administrative roles, school leaders should consider what is feasible and appropriate. 14.2 Staff who are clinically vulnerable or extremely clinically vulnerable:	
Staff who are pregnant		Where schools apply the full measures in the government guidance, the risks to all staff will be mitigated significantly, including those who are	
Staff who may otherwise be at increased risk from coronavirus (COVID-19)		extremely clinically vulnerable and clinically vulnerable. We expect this will allow most staff to return to the workplace, although the government advise those in the most at risk categories to take particular care while community transmission rates continue to fall. Revised	
People who live with those who have comparatively increased risk from coronavirus (COVID-19)		 08.01.2021: Current shielding for Extremely Clinically Vulnerable staff is in place January 2021(as advised by the government for the second national lockdown). These staff will work from home. 14.3 Advice for those who are clinically-vulnerable, including pregnant 	
		women, is available. 14.4 Advice for those who are extremely clinically vulnerable can be found in the guidance on shielding and protecting people who are clinically extremely vulnerable from COVID-19. School leaders should be flexible in how those members of staff are deployed to enable them to work remotely where possible or in roles in school where it is possible to maintain social distancing.	

Revised 24.02.2021: Pregnant women from 28 weeks' gestation, or with underlying health conditions at any point of gestation, may be at greater risk of severe illness if they catch coronavirus (COVID-19). This is also the case for pregnant women with underlying health conditions that place them at greater risk of severe illness if they catch coronavirus (COVID-19).

14.5 People who live with those who are clinically extremely vulnerable or clinically vulnerable can attend the workplace.

14.6 Staff who are pregnant

As a general principle, pregnant women are in the 'clinically vulnerable' category and are advised to follow the relevant guidance available for clinically-vulnerable people.

Revised 24.02.2021: In some cases pregnant women may also have other health conditions that mean they are considered CEV, where the advice for clinically extremely vulnerable staff will apply. COVID-19 vaccination: a guide for women of childbearing age, pregnant or breastfeeding contains vaccination advice. If school is notified that an employee is pregnant, breastfeeding, or has given birth within the last 6 months, the workplace risk assessment will be checked to see if any new risks have arisen. An assessment may help identify any additional action that needs to be taken to mitigate risks. Any risks identified at that point, or later during the pregnancy, in the first 6 months after birth, or while the employee is still breastfeeding, must be included and managed as part of the general workplace risk assessment. School leaders will take appropriate sensible action to reduce, remove or control the risks. 14,7 Staff who may otherwise be at increased risk from coronavirus (COVID-19)

Some people with particular characteristics may be at comparatively increased risk from coronavirus (COVID-19), as set out in the COVID-19: review of disparities in risks and outcomes report. The reasons are complex and there is ongoing research to understand and translate these findings for individuals in the future. If people with significant risk factors are concerned, the government recommends that schools discuss their concerns and explain the measures the school is putting in place to reduce risks. School leaders will try as far as practically possible to accommodate additional measures where appropriate.

14.8 People who live with those who have comparatively increased risk from coronavirus (COVID-19) can attend the workplace.

Revised 24.02.2021:

Staff who are clinically extremely vulnerable (CEV) - staff are advised not to attend the workplace. Staff who are CEV will previously have received a letter from the NHS or their GP telling them this (no new letter is required), and there is guidance for everyone in this group. It provides advice on what additional measures individuals in this group can take. Employers should talk to their staff about how they will be supported, including to work from home.

Those living with someone who is CEV can still attend work where home-working is not possible and should ensure they maintain good prevention practice in the workplace and home settings. The shielding guidance is reviewed regularly.

CEV individuals will be advised in advance of any extension or end date to inform them of changes or continuation of the guidance. CEV individuals (over 18) have been prioritised for vaccination in phase 1 before the general population and in line with the priority ordering set by the Joint Committee on Vaccination and Immunisation. Current DHSC guidance, informed by PHE, currently advises that CEV individuals should continue to shield even after they have been vaccinated. This may change as we get further data on the effects of vaccination.

<u>Staff who are clinically vulnerable:</u> CV staff can continue to attend school. While in school they must follow the system of controls to minimise the risks of transmission.

<u>Staff who live with those who are CV</u> can attend the workplace but should ensure they maintain good prevention practice in the workplace and at home.

Staff who may otherwise be at increased risk from coronavirus (COVID-19):

Current evidence shows that a range of factors mean that some people may be at comparatively increased risk from coronavirus (COVID-19)

Those at particularly high risk from a range of underlying health conditions should now have been included in the CEV group and will be receiving a letter to confirm this.

For others who feel they may be at increased risk, where it is not possible to work from home, these staff can attend school as long as the system of controls set out in this guidance are in place. School leaders should continue with an equitable approach to risk management for the workforce, recognising that staff may have a variety of baseline risks. Work continues to build our understanding of what these baseline factors are and the increased risks they pose.

There is further information now available on who is at higher risk from coronavirus: for information, go to the gov.uk website "Who's at higher risk from coronavirus".

Staff who live with those who may have comparatively increased risk from coronavirus (COVID-19) - can attend the workplace where it is not	
from coronavirus (COVID-19) - can attend the workplace where it is not

coronavirus (COVID-19) outbreak, such as anxiety, stress or low mood.	
This may particularly be the case for vulnerable children, including those	

Mantal Harlth armanus Devella	1		
Mental Health concerns –Pupils		with a social worker and young carers. It is important to contextualise	
Pupils' mental health has been		these feelings as normal responses to an abnormal situation. Some may	
adversely affected during the		need support to re-adjust to school; others may have enjoyed being at	
period that the school has been		home and be reluctant to return; a few may be showing signs of more	
closed and by the COVID-19 crisis		severe anxiety or depression. Others will not be experiencing any	
in general		challenges and will be keen and ready to return to school.	
		17.2 At Lowton West, we will consider the provision of pastoral and	
		extra-curricular activities to all pupils designed to:	
		 support the rebuilding of friendships and social engagement 	
		 address and equip pupils to respond to issues linked to 	
		coronavirus (COVID-19)	
		 support pupils with approaches to improving their physical and 	
		mental wellbeing	
		17.3 We will also provide more focused pastoral support where issues	
		are identified that individual pupils may need help with, drawing on	
		external support where necessary and possible. We will also consider	
		support needs of particular groups that we are already aware need	
		additional help (for example, children in need), and any groups that we	
		identify as newly vulnerable on their return to school.	
		17.4 We will consider how we are working with school nursing services	
		to support the health and wellbeing of their pupils	
		17.5There are sufficient numbers of trained staff available to support	
		pupils with mental health issues.	
		17.6There is access to designated staff for all pupils who wish to talk to	
		someone about wellbeing/mental health.	
		17.7Wellbeing/mental health is discussed regularly in PSHE/class	
		assemblies/pupil briefings (stories/toy characters are used for younger	
		pupils to help talk about feelings).	
		17.8 Resources/websites to support the mental health of pupils are	
		provided.	
18. Behaviour expectations	L	18.1 The school will consider whether or not the behaviour policies need	All staff
		to be updated with any new rules/policies, and will communicate any	
		rules/policies clearly and consistently to staff, pupils and parents, setting	
		clear, reasonable and proportionate expectations of pupil behaviour.	
		18.2 We acknowledge that some pupils will return to school having been	
		exposed to a range of adversity and trauma including bereavement,	
		anxiety and in some cases increased welfare and safeguarding risks. This	
		may lead to an increase in social, emotional and mental health concerns	
		and some children, particularly vulnerable groups such as children with a	
		social worker and young carers, will need additional support and access	
		to services such as educational psychologists, social workers, and	
		counsellors.

		19.3 Staff must not go to the school office – please contact office staff	
		via internal telephone system	
		19.4 Only one member of staff is allowed in the back office at one time.	
		19.5 Staff should not stand and block entrance to the offices/ toilet	
		areas: these are 'hotspots' that become easily congested.	
		19.6 Only two staff members (changed to one staff member) are	
		allowed in the photocopying room at any one time. If a staff member is	
		waiting outside, please keep 2m distance and do not block the entrance	
		to the photocopying room. There should not be a queue at any time for	
		the photocopier as this congests the entrance foyer and does not allow	
		for social distancing	
		19.7 Staff must not go to the HT office/ DH office – please contact HT	
		and DH via internal telephone systems. Staff may stand at given spot	
		outside HT office and talk to HT through glass (if office door is open). HT	
		may have up to two people in office for meetings (if needed) – sat at	
		other side of office which is 2m apart.	
		19.8 Limit bodies in confined spaces e.g., kitchen areas, store rooms.	
		19.9 Staff to observe the 2m social distancing at all times	
		19.10 Staff to sign in and out using the electronic signing in system	
		(antibacterial wipes will be available to wipe screen before and after	
		use)	
20 Estate		20.1 Prior to reopening for the autumn term, all the usual pre-term	
		building checks will be undertaken to make the school safe.	
Ventilation		20.2 Once the school is in operation, it will important to ensure good	
		ventilation. Air conditioning units must not be used. In classrooms, it will	
		be important that staff improve ventilation (for example, by opening	
		windows).	
21 Educational visits		21.1 The government continues to advise against domestic (UK) overnight and overseas educational visits at this stage see coronavirus:	
		travel guidance for educational settings.	
		21.2 In the autumn term, schools can resume non-overnight domestic	
		educational visits. These trips should include any trips for pupils	
		with SEND connected with their preparation for adulthood (for example,	
		workplace visits, travel training etc.). This should be done in line with	
		protective measures, such as keeping children within their consistent	
		group, and the COVID-secure measures in place at the destination.	
		School have currently ceased educational visits.	
		Table 1 march 2 march 2 march 1 march	I

	21.3 The school will make use of outdoor spaces in the local area to support delivery of the curriculum. As normal, we will undertake full and thorough risk assessments in relation to all educational visits to ensure they can be done safely. As part of this risk assessment, we will consider what control measures need to be used and ensure that we are aware of wider advice on visiting indoor and outdoor venues. We will consult the health and safety guidance on educational visits when considering visits.	
22 Uniform	22.1 The school will return to its usual uniform policy in the autumn term. 22.2 Uniforms do not need to be cleaned any more often than usual, nor do they need to be cleaned using methods which are different from normal. This will be communicated to parents prior to the summer break. 22.3 Jewellery, including wrist watches, are not allowed 22.4 Long hair should be tied back 22.5 On PE days, pupils should come into school in their tracksuit and trainers for the whole day.	HT – letter to parents
23 Curriculum expectations	 23.1 The government have set out some key principles and expectations for curriculum planning in mainstream schools, so that all pupils – particularly disadvantaged, SEND and vulnerable pupils – are given the catch-up support needed to make substantial progress by the end of the academic year. 23.2 The key principles that underpin the advice on curriculum planning are: education is not optional: all pupils receive a high-quality education that promotes their development and prepares them for the opportunities, responsibilities and experiences of later life. the curriculum remains broad and ambitious: all pupils continue to be taught a wide range of subjects, maintaining their choices for further study and employment. remote education, where needed, is high quality and aligns as closely as possible with in-school provision: schools and other settings continue to build their capability to educate pupils remotely, where this is needed. 23.3 Informed by these principles, DfE asks that schools and other settings meet the following key expectations if considering revisions to their school curriculum for academic year 2020 to 2021: Teach an ambitious and broad curriculum in all subjects from the start of the autumn term, but make use of existing flexibilities to create time to cover the most important missed 	SLT/ All staff

- content: Up to and including key stage 3, prioritisation within subjects of the most important components for progression is likely to be more effective than removing subjects, which pupils may struggle to pick up again later. In particular, schools may consider how all subjects can contribute to the filling of gaps in core knowledge, for example through an emphasis on reading
- Aim to return to the school's normal curriculum in all subjects by summer term 2021: Substantial modification to the curriculum may be needed at the start of the year, so teaching time should be prioritised to address significant gaps in pupils' knowledge with the aim of returning to the school's normal curriculum content by no later than summer term 2021.
- Plan on the basis of the educational needs of pupils: Curriculum planning should be informed by an assessment of pupils' starting points and addressing the gaps in their knowledge and skills, in particular making effective use of regular formative assessment (for example, quizzes, observing pupils in class, talking to pupils to assess understanding, scrutiny of pupils' work).
- Develop remote education so that it is integrated into school curriculum planning: Remote education may need to be an essential component in the delivery of the school curriculum for some pupils, alongside classroom teaching, or in the case of a local lockdown. All schools are therefore expected to plan to ensure any pupils educated at home for some of the time are given the support they need to master the curriculum and so make good progress.
- Schools may consider it appropriate to suspend some subjects for some pupils in exceptional circumstances. Schools should be able to show that this is in the best the interests of these pupils and this should be subject to discussion with parents during the autumn term. They should also have a coherent plan for returning to their normal curriculum for all pupils by the summer term 2021.
- Relationships and health education (RHE) for primary aged pupils and relationships, sex and health education (RSHE) for secondary aged pupils becomes compulsory from September 2020, and schools are expected to start teaching by at least the start of the summer term 2021.

 ${\bf 23.4}$ Specific points for early years foundation stage (EYFS) to key stage

- For children in nursery settings, teachers should focus on the prime areas of learning, including: communication and language, personal, social and emotional development (PSED) and physical development.
- For pupils in Reception, teachers should also assess and address gaps in language, early reading and mathematics, particularly ensuring children's acquisition of phonic knowledge and extending their vocabulary. Settings should follow updates to the EYFS disapplication guidance. For nursery settings and Reception, consider how all groups of children can be given equal opportunities for outdoor learning.
- For pupils in key stages 1 and 2, school leaders are expected to
 prioritise identifying gaps and re-establish good progress in the
 essentials (phonics and reading, increasing vocabulary, writing
 and mathematics), identifying opportunities across the
 curriculum so they read widely, and developing their
 knowledge and vocabulary. The curriculum should remain
 broad, so that the majority of pupils are taught a full range of
 subjects over the year, including sciences, humanities, the arts,
 physical education/sport, religious education and relationships
 and health education.

23.5 Music

Schools should note that there may be an additional risk of infection in environments where you or others are singing, chanting, playing wind or brass instruments or shouting. This applies even if individuals are at a distance. Schools should consider how to reduce the risk, particularly when pupils are playing instruments or singing in small groups such as in music lessons by, for example, physical distancing and playing outside wherever possible, limiting group sizes to no more than 15, positioning pupils back-to-back or side-to-side, avoiding sharing of instruments, and ensuring good ventilation. Singing, wind and brass playing should not take place in larger groups such as school choirs and ensembles, or school assemblies.

23.6 Physical activity in schools

Schools have the flexibility to decide how physical education, sport and physical activity will be provided whilst following the measures in their system of controls. Pupils should be kept in consistent groups, sports equipment thoroughly cleaned between each use by different individual groups, and contact sports avoided.

		Outdoor sports should be prioritized to be a parallel and level in the	
		Outdoor sports should be prioritised where possible, and large indoor	
		spaces used where it is not, maximising distancing between pupils and	
		paying scrupulous attention to cleaning and hygiene. This is particularly	
		important in a sports setting because of the way in which people	
		breathe during exercise. External facilities can also be used in line with	
		government guidance for the use of, and travel to and from, those	
		facilities.	
		Schools are able to work with external coaches, clubs and organisations	
		for curricular and extra-curricular activities where they are satisfied that	
		this is safe to do so. Schools should consider carefully how such	
		arrangements can operate within their wider protective measures.	
		Activities such as active miles, making break times and lessons active	
		and encouraging active travel help enable pupils to be physically active	
		while encouraging physical distancing.	
		23.7What this means at Lowton West:	
		Taking all of the above guidance into account, the Senior Leaders will	
		plan the curriculum including: revised class timetables; timetables for	
		physical activity inside and outside; teaching of music; assessments to	
		take place in September and at other regular key points; the curriculum	
		to be taught; emphasis on reading (through all subjects); contingency	
		plans for remote learning using Seesaw; planning for teaching of RSE by	
		Summer 2021. All plans will be discussed with staff at the INSET day on	
		Tuesday 1st September 2020.	
24 Long period shut down	L	24.1 Implement remote learning using Seesaw/ Spelling Shed/ TT	All staff/ SBM

children will be harder to maintain. To help minimize the risk of the virus spreading to both staff and pupils, the school will:	GOV.UK Guidance. Follow the social distancing guidelines Face covering are not recommended for use in schools The school SLT to include specific detailed information for the management of the school day
Staff should implement the above measures as far as they are able,	
whilst ensuring children are kept safe and well.	
44.1 Wearing a face covering or face mask in school is not recommended. Except PPE that they would normally need for their topic work or to provide pupil personal support. Staff and pupil's are not required to wear face coverings	All staff
_	42.10 Staff must also inform the SLT of incidents of non-compliance, suspected illness, medical support or violence by pupils, including restraint. 42.11 Pupils who become violent and require restraint, contact your TESS officer for support advice. 43.1 Where possible within the school, the 2m distance rule applies. However, it is acknowledged that social distancing for very young children will be harder to maintain. To help minimize the risk of the virus spreading to both staff and pupils, the school will: • Inform children, parents and visitors not to enter the school if they are displaying any symptoms of coronavirus. (COVID-19) • Remind parents and pupils to be mindful and reduce any unnecessary travel on public transport. • Pupils to stay and work within their year group bubble. • Remove unnecessary furniture to open up the classroom and organize the desks to face forward. • Where possible clearly mark out the floor area where the Teacher will deliver the lesson topic • Stagger lunch times, break times, and the movement of pupils around the school, to reduce large groups gathering. • Implement a packed lunch service during lunch with pupils eating in a designated area in their classrooms. • Stagger class timings for the start and finish of the school day. • Discourage parents from gathering at school gates. • Display signage at all entrances into school and along corridors to raise awareness of social distancing. • Introduce a one way system - everyone walking on the left. • Where possible - Year group bubbles to be allocated their own entry and exit point to and from the classroom/building. • Mark off the playground floor/ fencing where pupils will line up prior to reentering the building. • Whole school assemblies must not be undertaken. Staff should implement the above measures as far as they are able, whilst ensuring children are kept safe and well.

	58.2Staff and pupils have been briefed on any new evacuation	
	procedures.	
59. Fire evacuation drills - unable	59.1Plans for fire evacuation drills are in place which are in line with	HT; all staff
to apply social distancing	social distancing measures. Children from each class will line up in two	,
effectively	lines keeping a social distance at the given muster points (this will be	
,	practised with class teachers in the first fortnight). Reception teachers	
	will practise with the children when the Reception pupils start full time.	
50.5		
60. Fire marshals absent due to	60.1An additional staff rota is in place for fire marshals to cover any	нт
self-isolation	absences and staff have been briefed accordingly. The DHT will	
	undertake this role in the absence of the HT.	
61. Working from home can	61.1Staff working from home due to self-isolation have regular catch-	
adversely affect mental health	ups with line managers.	
	61.2Staff are encouraged to speak regularly with colleagues, take regular	
	breaks and exercise.	
	61.3Appropriate work plans have been agreed with support provided	
	1here necessary.	
	61.4Staff working from home may help provide remote learning for any	
	pupils who need to stay at home.	

62. 'Time Out' before and after school Club		The 'Time Out' Club is run by a separate Voluntary Committee – the club uses the school premises as a base. The 'Time Out' Club will prepare a risk assessment for a phased reopening (working in close consultation with the school).	'Time Out' Club; HT; Governors; Mike McCarthy (LA)
63. Update to risk assessment November 1st 2020: Ventilation	M	Revised 01.11.2020: 63.1 We are already keeping the school ventilated using natural ventilation – staff have windows open providing background ventilation. Continue to do this.	HT
8) Keeping occupied spaces well ventilated. Once the school is in operation, it is important to ensure it is well ventilated and a comfortable learning environment is maintained.		 63.2 Staff should continue to ensure that there is natural ventilation in the classroom by opening windows (in cooler weather windows should be opened just enough to provide constant background ventilation, and opened more fully during breaks to purge the air in the space). 63.3 Staff may want to consider opening windows more fully at break times for a longer period (this does not need to be for the whole of break time) then closing them again so that they are opened just enough to provide constant background ventilation. 63.4 A common sense approach needs to be taken. We can provide background ventilation and also ensure that the classrooms are warm and comfortable to work in. The heating is currently on all day. NB: Internal classroom fire doors should not be wedged open. If you want them to stay open, we would need to fit a retainer on the door (as with the hall doors and Year 2 corridor door). This includes the staffroom – this is a fire door and should not be wedged open. Headteacher has spoken with Mike McCarthy. We can keep the external classroom doors open for ventilation if needed because we are using them as an entrance and exit anyway. However, external corridor fire doors cannot be left open at any time. 	
64.Update to risk assessment 01.12.2020	М	Revised 01.12.2020:	НТ

2 nd National lockdown as from 2 nd December announced by government		64.1 In line with government guidance, staff classed as 'extremely clinically vulnerable' need to work from home during the 2 nd lockdown period (commencing on 02.12.2020).	
65. Update to risk assessment	M	Revised 08.01.2021:	HT/ Deputy Head/ Governors
Risk assessment updated following the government announcement (on 4 th January) to close schools and open only for		65.1 School will open for the pupils for whom both parents are key workers; vulnerable pupils; pupils with single parent who is a key worker; pupils for whom one parent is NHS frontline staff. Revised 24.02.2021: As from 8 th March, school will be open to all pupils. 65.2 Adaptations to the classroom so that staff can maintain a 2m	All staff
key worker pupils and vulnerable pupils. Health and safety concerns around the new Covid variant;		distance from pupils and so that pupils can maintain a 1m plus distance (however, we acknowledge that this may be more difficult with the youngest pupils and will endeavour to do this as much as possible). Desks will be facing forward. Children will have their own set of	
rates of transmission of virus; national infection rates; need to lockdown the country.	t	equipment. Revised 24.02.2021: As from 8 th March, school will be open to all pupils. Pupils will sit at desks facing forward, with the exception of the youngest pupils. Class bubbles will remain in place.	HT has informed parents. All staff
		65.3 Face coverings/ face shields must be worn by adults moving around the communal school areas and corridors and in the staffroom/ offices and photocopying room. Staff should also wear face coverings/ face shields in the classroom as much as possible, unless they feel that the use of the face covering would have a negative impact on the learning and teaching in a particular lesson. However, most of the time (if possible all of the time), a face covering/ face shield should be worn. Revised 24.02.2021: A face covering (not a visor or shield) must be worn in all communal areas around school.	Office staff to inform visitors.
		65.4 Parents have been asked to wear face masks when visiting the school site. This will continue.	HT to give time to staff All staff to implement
		65.5 All visitors must continue to wear face masks when visiting the school site.	
		65.6 Staff will be given time to prepare remote learning and to respond to pupils' work. Responses will be a combination of individual responses, sending a 'like' for the work and whole class response. This will support staff with workload.	HT to give teachers time for RLDP All staff
		65.7 Class Teachers to be given additional time out of the classroom for RLDP (Remote Learning preparation and Delivery).	Office staff All staff

65.8 Staff to keep at least a 1m plus distance from other members of staff at all times and a 2m distance from other staff as much as possible. 65.9 Office staff to remain in office areas and use internal telephone communication systems/ messages via e-mails or register boxes to communicate with staff. No more than 3 people in the office. There should be no congestion at the school office/ staffroom/ photocopying room/ main entrance foyer at any time.	All staff
65.10 There must not be more than 3 staff members in the staffroom at any one time. For this reason, Premier Sports staff and other visitors to school may use the staffroom for their scheduled breaks only (in line with allowed numbers) or to get refreshments as required.	
65.11 Staff who are Clinically Vulnerable have individual risk assessments in place	
65.12 All staff need to be aware that we have Clinically Vulnerable staff in school. Staff should ensure that they are maintaining a 2m social distance with these staff in particular, wherever possible. Lunchtime	HT and CV staff
staff tables have been rearranged to allow for further social distancing during lunchtimes/ breaktimes, etc	All staff
65.13 Rotas will be put into place to increase further the supervision of toilets/ cloakrooms/ corridors to ensure that children are being supervised to maintain a social distance at all times of the school day and to ensure that there is no crossing of bubbles.	HT/ DH to put further review all rotas
65.14 Teaching Assistants will support Class Teachers with the marking of the remote learning and can sit outside the classroom when doing this to limit time in the classroom. Teaching Assistants will be timetabled for some of the time (30 minute or 60 minute slots) to	All staff
supervise the children in class (under the supervision of the teacher) whilst the Class Teacher has the opportunity to provide feedback (via Seesaw) to the pupils working from home.	HT/ DH to put timetables into place
65.15 Teaching Assistants/ supply staff will be timetabled to lead targeted provision for individuals or small groups. This will be carefully timetabled so that the location allows for the staff member to maintain a social distance from the pupils.	HT/ DH to put timetables into place
65.16 Parents are not allowed to enter the school building at any time. Parents should not enter the school entrance foyer for any reason	HT to remind parents

(unless this has been agreed by the school). Parents should contact the school office via telephone or e-mail.	Office staff to remind parents who try and enter the building
65.17 Parents of pupils eligible for free school meals should wait outside the school entrance and the fortnightly food parcel will be brought to them outside and placed on the table (so that social distancing can maintained). Staff will wear plastic gloves when handling the food parcels. Revised 24.02.2021: Pupils will receive free school meals in school. School will continue to provide free school meal support to pupils who are eligible for benefits-related free school meals and who are learning at home during term time.	Office staff – table to be arranged for the Mondays HT/ office staff – inform parents of routines
65.18 x14 classrooms are in operation (with reduced pupil numbers); each class to be supervised by a teacher and TA to ensure First Aid cover/ supervision during break times; supervision of cloakrooms/ toilets,etc; to allow the effective management of teaching pupils in school and delivering/ responding to remote learning. Revised 24.02.2021: As from 8 th March, all pupils will return to school.	
 65.19 The Remote Learning Offer is currently being further reviewed and a policy will be put into place. The Safeguarding policy will be further reviewed to reflect the potential safeguarding issues around remote learning. 65.20 Water fountains will continue to stay out of use. 	HT/ SLT to review Remote Learning procedures and produce policy Safeguarding policy to be reviewed by HT/ DH
65.21 CONTRACTORS: No changes. Continue to: where site visits are required, site guidance on social distancing and hygiene will be explained to visitors on or before arrival. Hand sanitiser at reception for visitors. Limit the number of visitors at any one time. Visitors restrict to out-of-hours when at all possible Maintain a record of all visitors (including contact details) to support the NHS Test and Trace process.	Office staff All staff
65.22Kitchen staff: to wear face masks when delivering food around school; staff to wear gloves and disposable aprons also; staff will be in full Metrofresh uniform; not to enter classrooms; school meal deliveries to classrooms have been timetabled to avoid congestion in corridors.	Kitchen staff
65.23 Safeguarding policy/ Behaviour policy and addendums to be reviewed and distributed to all staff.	HT/ DH to review policies and Covid addendums.

		65.24 Individual pupil risk assessments to be completed for pupils if required (e.g. pupils with additional needs who require 1:1 support).	DH/ staff member to undertake risk assessments and liaise with parents
		65.25 <u>Governors, Customers and Visitors:</u> Telephone meetings/Remote meetings to be held wherever possible.	All staff and governors
		65.26 <u>Receiving delivery of goods:</u> Maintain social distancing; where possible order larger quantities of inbound materials to limit deliveries; encourage staff to remain outside school building if possible; use of hand sanitiser for staff receiving goods (before/ after handling goods; regular cleabing of re-usable delivery boxes; use of gloves when handling packaging.	Office staff Caretaker Any staff receiving delivered goods
		65.27 Staff to be aware of social distancing when using the school car park.	All staff
		65.28 The fire drill procedures will remain the same. A fire drill will be scheduled for the Spring term.	All staff HT to schedule drill
		65.29 The 'Time Out' Club provision has temporarily ceased. The HT will remain in contact with M.Bruce (TOC) and keep the staff/ governors updated in relation to any changes to the current situation.	HT/ TOC
		Revised 24.02.2021: As from 12 th February 2021, the 'Time Out' Club ceased operating.	
66. <u>Update to risk assessment</u>	L/M	Revised 25.01.2021:	Senior Leaders to monitor.
Risk assessment updated to include the most updated guidance on what constitutes a 'close contact'. All staff to adhere to social		 66.1 All staff must adhere to the social distancing guidance. DO: Stand at least 2m apart wherever possible and certainly more than 1m apart. If you are stood between 1m and 2m apart, ensure that your conversation does not last more than 10 minutes. The 	All staff responsible for social distancing.
distancing guidance in order to keep themselves and others safe.		maximum is 15 minutes, but let us err on the side of caution here to ensure that there is no room for anyone becoming a 'close contact'. We want to be absolutely clear that we are NOT a close contact of another adult.	

DO NOT:

- Do not stand within 1m of any other adult at any time (even if it not face-to-face).
- Do not travel in a car with another staff member.

66.2 All staff should ensure that they do not become a close contact of another adult in school.

66.3 All staff should ensure that they are fully aware of what constitutes a 'close contact' – see definition below:

What is a 'Contact'?

- 1.1 A person who maintained appropriate social distancing (over 2 metres) <u>is not</u> classed as a 'close contact' and <u>is not</u> required to self-isolate.
- 1.2 The main categories that would lead to someone being identified as a 'close contact' in an education setting are as follows:
 - a) Face to face contact with a confirmed case for any length of time, within 1 metre, including being coughed on, a face to face conversation and unprotected skin to skin physical contact*
 - b) Travelling in the same vehicle or plane with a person who is a confirmed case*.
 - c) Contact within one metre for one minute or longer without face-to-face contact*
 - d) Contact within 2 metres with someone who has tested positive for COVID-19 for more than 15 minutes (either as a one-off contact, or added up together over one day)

		* Any interactions that have only taken place	
		through a Perspex (or equivalent) screen is	
		not considered sufficient contact. These	
		people <u>should not</u> be considered relevant	
		contacts for the purposes of contact tracing	
		and isolation.	
		66.4 NB: Only one person allowed in PPA room; only one	
		person allowed in photocopying room; only 3 people	All staff to adhere to the numbers of people allowed in each
		(maximum) allowed in staffroom at any one time; only 2	room.
		people allowed in school office.	
		Revised 24.02.2021: Close contact means (updated 24.02.2021):	
		 anyone who lives in the same household as someone with coronavirus (COVID-19) symptoms or who has tested positive 	
		 for coronavirus (COVID-19) anyone who has had any of the following types of contact with someone who has tested positive for coronavirus (COVID-19) 	
		 with a PCR or LFD test face-to-face contact including being coughed on or having a face-to-face conversation within 1 metre 	
		been within 1 metre for 1 minute or longer without face-to-face contact	
		 been within 2 metres of someone for more than 15 minutes 	
		(either as a one-off contact, or added up together over one day)travelled in the same vehicle or a plane	
67. <u>Update to risk assessment</u>	M	Revised 25.01.2021:	HT to attend DfE webinars and disseminate information to
<u>25.01.2021</u>		67.1 The government have asked Primary School staff to start twice	all staff.
Administration of Lateral Flow		weekly LFD testing (this is voluntary). Please refer to separate LFD Risk	
Device (LFD) testing kits to		Assessment (based on Local Authority model Risk Assessment from Mike	
support with identifying staff who		McCarthy).	
are a-symptomatic and thus, help		Revised 24.02.2021: Lateral flow testing will continue twice weekly for	
to prevent further the transmission of the virus in school.		staff.	

68. Update to risk assessment 24.02.2021 All pupils to return to school on 8 th March 2021 (following government announcement on 22.02.2021). Risk assessment	M	NB: Please refer to all updates throughout this risk assessment (in blue text) – all blue text includes revisions to the Risk Assessment document as of 24.02.2021. Revised 24.02.2021: 68.1 The school will provide remote education to pupils who are unable	SLT; Office staff; H.Mills; Class teacher or Class Teaching
revised in line with the latest government guidance published February 2021. The new variant of the virus		to attend school because they are complying with government guidance or legislation around coronavirus (COVID-19), in the circumstances provided for in the Remote Education Temporary Continuity Direction. Staff will offer pastoral support to pupils who are: • self-isolating	assistant - to contact pupils, including pupils classed as 'vulnerable', when they are isolating/ shielding (to offer pastoral support; check they are able to access education support).
remains more transmissible. Virus rates are decreasing and national lockdown is still in place		shieldingvulnerable 68.2 Where individuals are self-isolating and are within our definition of	
(with roadmap for easing of restrictions having been announced by government).		'vulnerable', school will put systems in place to keep in contact with them, offer pastoral support, and check they are able to access education support. When a vulnerable pupil is required to self-isolate, school will: • notify their social worker (if they have one) • agree with the social worker the best way to maintain contact and offer support You should have procedures in place to: • check if a vulnerable pupil is able to access remote education support • support them to access it (as far as possible) • regularly check if they are accessing remote education	SLT; Office staff; H.Mills; Class teacher or Class Teaching assistant - to contact pupils when they are isolating (to offer pastoral support; check they are able to access education support). Also contact social worker (if they have one).
69. Revised 24.02.2021: Lack of staffing during the ongoing pandemic.	M	Revised 24.02.2021: 69.1 School may need to alter the way in which staff are deployed and use existing teaching and support staff more flexibly. Leaders should ensure that they continue to have appropriate support in place for pupils with SEND.	HT and SLT
		69.2 School leaders will discuss and agree any proposed changes in role or responsibility with members of staff (whether it be on a short term or longer term basis), ensuring staff members have the appropriate skills, expertise and experience to carry out the work.	
		69.3 This includes making sure that for any interventions or care for pupils with complex needs:• safe ratios are met	

		specific training is undertaken	
		 69.4 Staff who are not teachers may be deployed to lead groups or cover lessons, under the direction and supervision of a qualified, or nominated, teacher. This is covered under the: Education (Specified Work) (England) Regulations 2012 for maintained schools and non-maintained special schools the freedoms provided under the funding agreement for academies 69.5 If, having pursued all the immediate options available, school still have concerns about staffing capacity, leaders will talk to the local authority or trust point of contact. 69.6 If a class bubble is unable to operate safely due to a lack of staffing, closure of a class bubble may occur at very short notice. Parents will be informed as soon as is practically possible. 	
Revised 24.02.2021: 70. Pupil/ adults travelling from abroad Risk of bringing new variants into country Risk of transmission of virus after travelling	M	 Revised 24.02.2021: Where pupils (and their parents or guardians or family member) meet the UK entry requirements and have travelled from or through a 'red list' country in the previous 10 days, they must quarantine in a managed quarantine hotel for 10 days. Pupils travelling to England from other, non-red, list countries will need to quarantine at their place of residence or other suitable place and purchase a home testing package, with coronavirus (COVID-19) tests to be taken on days 2 and 8 after arrival to support the UK's genomic sequencing programme. 70.2 Before travelling, everyone must: take a coronavirus (COVID-19) test and get a negative result during the 3 days before you travel book and pay for a travel test package, which will include coronavirus (COVID-19) tests to be taken on day 2 and day 8 of your quarantine complete a passenger locator form before arrival, with details of where you will quarantine when you arrive and the travel test package booking reference number. Where arriving from a red list country, permitted travellers will be met on arrival in England and transported directly to their quarantine hotel. Further information is provided in 'what to expect in quarantine guidance'. 	HT to inform parents of this information via letter (prior to the return on all pupils on 8 th March 2021) and inform staff via this Risk Assessment.

	Further information can also be found on the gov.uk website – 'How to enter the UK'.	
Revised 24.02.2021:	Revised 24.02.2021:	HT to include this advice/ information in letter to parents (to be sent out prior to 8 th March 2021).
71.	71.1 Where parents are using external childcare providers or out of school extra-curricular activities for their children, school will advise	
Use of other child care providers can increase the risk of transmission	 parents: to limit their use of multiple out-of-school settings providers, and to only use one out-of-school setting in addition to school as far as possible; encourage them to check providers have put in place their own protective measures; send them the link to the 'guidance for parents and carers'.
