

# 6 REASONS TO JOIN THE FRIENDS ASSOCIATION

## 1. YOUR CHILD BENEFITS

The Friends Association is an important part of the school. The money we fundraise helps to pay towards school trips, subsidising the amount parents pay. We pay for special guests / workshops that helps enrich our children's school experience.

## 2. TO MAKE A DIFFERENCE

As well as fundraising, the Friends Association organises events which add so much more to our children's school experience. In the past we have organised coffee mornings, school discos, infant entertainers and cinema clubs.

## 3. GIVE A HELPING HAND

Many hands make light work. There are many different tasks from helping at events, setting up, shopping, creating gift bags, sourcing raffle prizes or wrapping hampers – every bit helps!

## 4. MAKE FRIENDS

Volunteering your time and working towards a common goal is a rewarding experience and many friendships have been formed.

## 5. FEEL INVOLVED

Everyone is welcome to our meetings, and we love to see new members and welcome new ideas.

## 6. KEEP OUR FRIENDS ASSOCIATION GOING

As parents move on there is a concern that there will no longer be a Friends Association to carry on providing this valuable resource. Last year we had to cancel events as we did not have enough helpers. Please consider helping in any way you can.
