To All children of Lowton West Primary School

You must be finding it very strange to be doing your learning at home at this moment in time?

It’s very different to what you’re used to, but I and the governors are hoping you’re able to crack on and enjoy some of the challenges that your teachers have been setting for you.

We might not be at school working in the same building but we’re a school where we can wear our ‘Lowton West Badge’ on our hearts wherever we are and whatever we’re doing.

Do not forget, we are ‘Team Lowton West’ and we can do this, and we can get through it.

Remember our values of Respect, Resilience, Kindness and Confidence and be ready to do your learning and take on the challenges we are all facing.

Please take on some responsibility that your mums and dads might be asking you to do.

Do not forget that we need to be respectful as well, remember mums and dads are there to try and help you in the best possible way they can

Hopefully we will all be back again as a school really, really soon.

In the meantime, please keep safe and look after yourselves and your families.

All the best

Mr. Cunliffe

Chair of Governors

Lowton West Primary School
