Dear Parents, Carers and Pupils of Lowton West Primary School,

I hope that this letter finds you well.

It was very strange for us all to find out (on Wednesday 18th March) that all schools in England were to be closed at the end of the day on Friday 20th March. We had very little time to say goodbye to you all as everything happened so very quickly. It seems very strange not seeing you all each day.

I hope that all of the children are enjoying completing some of the work in the ‘home learning’ packs. It is very important that you try to do a bit of work each day and it’s also very important that you spend time with your family too and have lots of fun!

I wanted to let you know that all of the teachers have been telling me how much they are missing seeing the children each day. The teachers are all very busy preparing more work for the children to complete after the Easter holiday. As a school, we are also in the process of setting up a new learning platform that we think you will really enjoy using.

Over the next few weeks, I will be in touch again with information about the work that will be set for you after the Easter break. I will also be letting parents know about a new app that we will be using to communicate with parents going forward.

I hope that you are all well and enjoying some quality time together. If parents have any school-related queries, please contact us via our school e-mail address.

I do not know when school is going to re-open. That will be up to our Prime Minister, Boris Johnson. However, when we do all return to school, we will have a big party to celebrate getting back together!

I would like to sincerely thank all parents for your support, patience and understanding over the last few very challenging weeks. We had lots of parents who e-mailed school with messages of support and these messages were very much appreciated!

May I convey my very best wishes to you and your families.

Take lots of care everyone and stay safe.

Yours sincerely,

Mrs J. Westhead
Headteacher
