

Making Bird Feeders

visit [twinkl.com](https://www.twinkl.com)

What you will need:

bird seeds
peanuts
raisins
lard
cheese
old yoghurt pot
string

1

Take an old yoghurt pot and make a hole in the bottom.

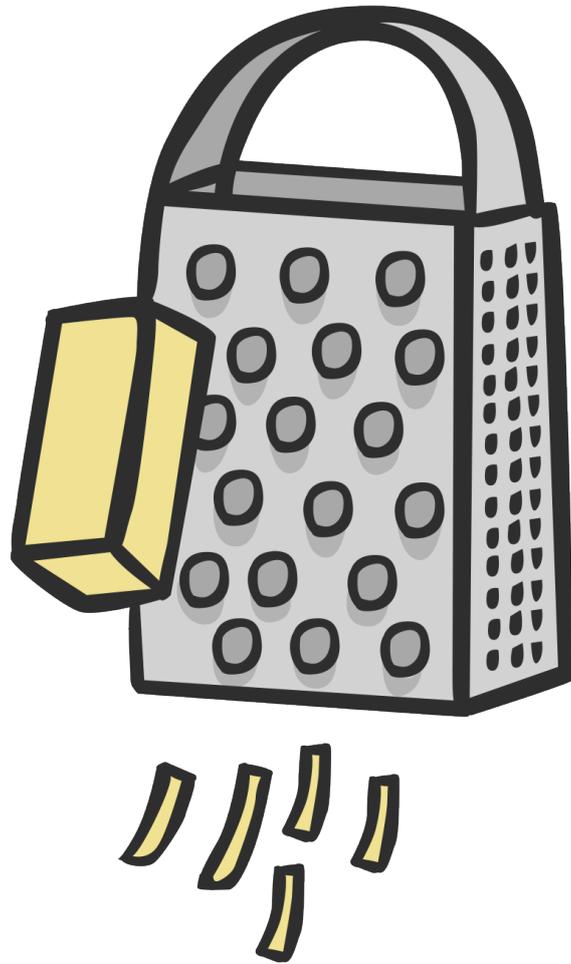

2

Feed a loop of string through the hole and tie a knot inside.

3

Grate up a small
block of cheese.

visit [twinkl.com](https://www.twinkl.com)

4

Chop up some of
the lard into cubes.

5

Put the cheese, lard, seeds, peanuts and raisins into a bowl and mix with your hands until it all holds together.

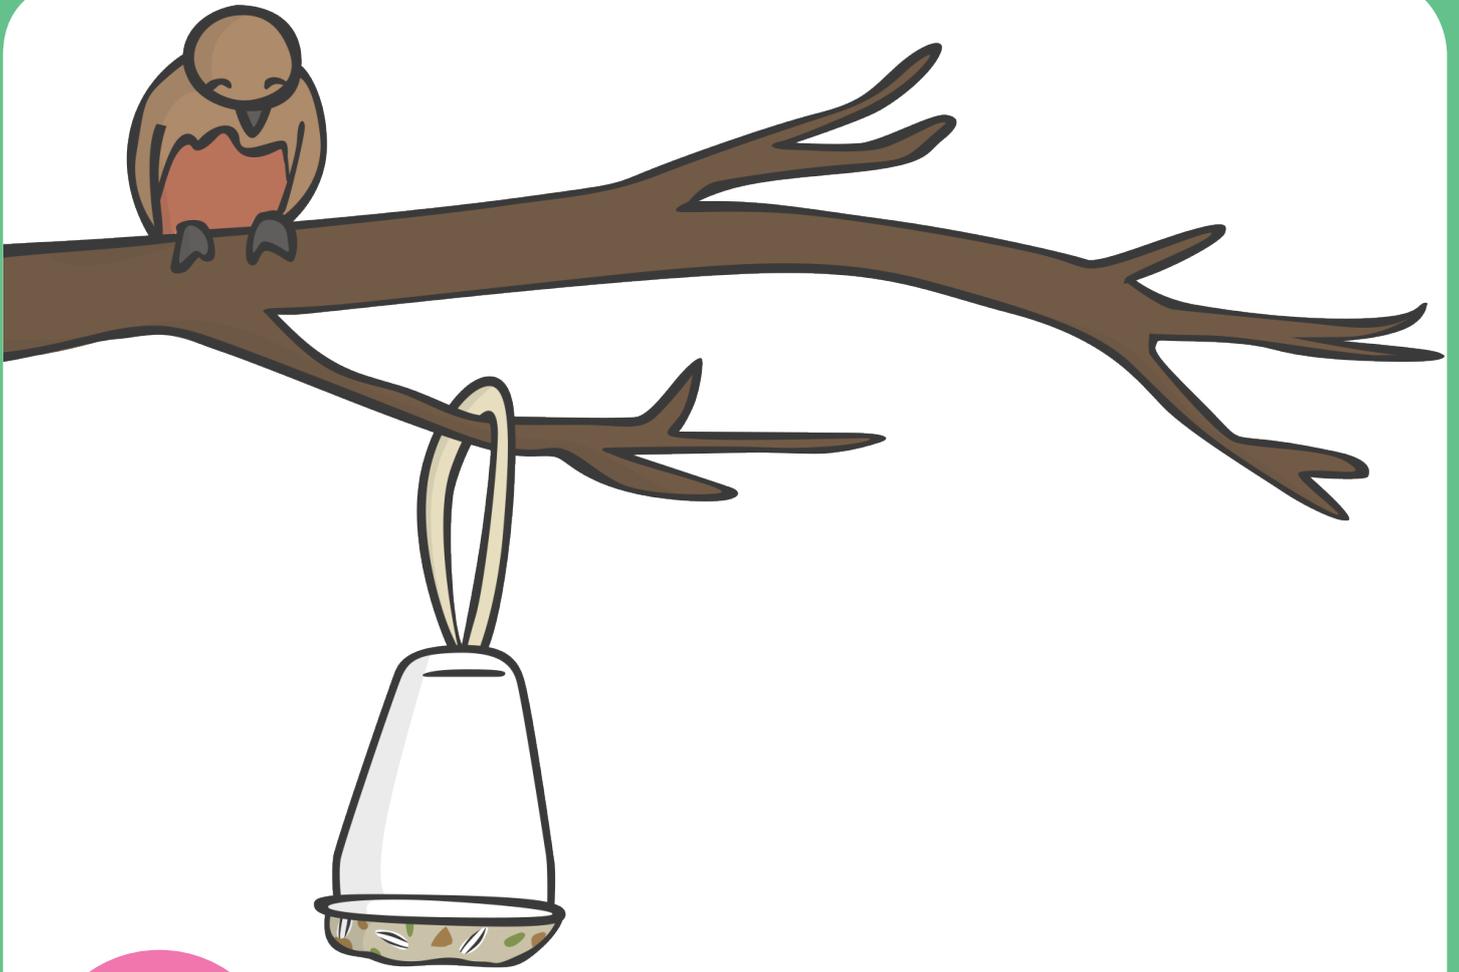

visit [twinkl.com](https://www.twinkl.com)

6

Put the mixture
into the yoghurt
pot and then cool in
the fridge.

7

Hang the feed from
a branch and watch
the birds eat!
