## Single Equality Policy

### *Aiming High Together*

#### **School Vision**

To inspire, achieve and succeed, we will aim high and build dreams and futures together.

#### **Mission Statement**

***Providing the highest quality education, care and support for the whole school community.***

***Our mission statement is based on RESPECT:***

*R = Recognising the needs of the individual child*

*E = Ensuring a unique and engaging curriculum*

*S = Supporting each other to learn and achieve*

*P = Passionate about providing the highest quality education*

*E = Encouraging creativity, self – expression and imagination*

*C = Creating confident, resilient, life – long learners*

*T = The voice of everybody is heard*

All the above statements help us to understand how we can all make a positive contribution to the school and the wider community.

**We will do this through our core values:**

- Respect
- Resilience
- Kindness
- Confidence

We also, at Lowton West Primary School, strive to develop and uphold British Values.

The five British values that the Government has identified for schools to focus on are: -

- Democracy
- The Rule of Law
- Individual liberty and mutual respect and tolerance of those with different faiths and beliefs
- Developing personal and social responsibility
- Respect for British Institutions

## **Equality at Lowton West**

At Lowton West Primary School, we are committed to ensuring equality of education and opportunity for all pupils, staff, parents and carers receiving services from the school, irrespective of race, gender, disability, faith/religion or socio-economic background. We aim to develop a culture of inclusion and diversity in which all those connected to the school feel proud of their identity and able to participate fully in school life.

The achievement of pupils will be monitored by race, gender and disability and we will use this data to support pupils, raise standards and ensure inclusive teaching. We will tackle discrimination by the positive promotion of equality, challenging bullying and stereotypes and creating an environment which champions respect for all. At Lowton West Primary School we believe that diversity is a strength, which should be respected and celebrated by all those who learn, teach and visit here.

## **Equality in our policy and practice**

As well as the specific actions set out beneath this plan, the school operates equality of opportunity in its day to day practice in the following ways.

### **1) Teaching and learning**

We aim to provide all our pupils with the opportunity to succeed, including the opportunity to reach the highest level of personal achievement. To do this, we will:

- Monitor achievement data by ethnicity, gender, socio-economic background (Pupil Premium) and disability, identify and action any gaps;
- Use contextual data to improve the ways in which we provide support to individuals and groups of pupils;
- Take account of the achievement of all pupils when planning for future learning and setting challenging targets;
- Ensure equality of access for all pupils and prepare them for life in a diverse society;
- Use materials that reflect the diversity of the school, population and local community in terms of race, gender and disability, without stereotyping;
- Promote attitudes and values that will challenge racist and other discriminatory behaviour or prejudice;
- Provide opportunities for pupils to appreciate their own culture and celebrate the diversity of other cultures;
- Seek to involve all parents in supporting their child's education;
- Encouraging classroom and staffroom discussion of equality issues which reflect on social stereotypes, expectations and the impact on learning;
- Including teaching and classroom-based approaches appropriate for the whole school, which are inclusive and reflective of our pupils.

### **2) Admissions and exclusions**

Our admissions arrangements are fair and transparent, and do not discriminate on race, gender, disability or socio-economic factors.

Exclusions will always be based on the school's Positive Behaviour Management and Discipline Policy. We will closely monitor exclusions to avoid any potential adverse impact and ensure any discrepancies are identified and dealt with.

### **3) Equal Opportunities for Staff**

At Lowton West Primary School, we are committed to the implementation of equal opportunities principles and the monitoring and active promotion of equality in all aspects of staffing and employment.

All staff appointments and promotions are made on the basis of merit and ability and in compliance with the law. However we are concerned to ensure wherever possible that the staffing of the school reflects the diversity of our community.

As an employer we need to ensure that we eliminate discrimination and harassment in our employment practice and actively promote equality across all groups within our workforce.

### **Review of progress and impact**

The Plan has been agreed by our Governing Body. We have a rolling programme for reviewing our school policies and their impact. In line with legislative requirements, we will review progress against our Equality Plan annually and review the entire plan and accompanying action plan on a three-year cycle.

We make regular assessments of pupils' learning and use this information to track pupil progress. As part of this process, we regularly monitor achievement by ethnicity, gender and disability, to ensure that all groups of pupils are making the best possible progress, and take appropriate action to address any gaps.

### **Publishing the plan**

In order to meet the statutory requirements, we will:

- Publish our plan on the school website; ensure hard copies are available.
- Raise awareness of the plan through the school website, assemblies, School Council, staff meetings and other communications;

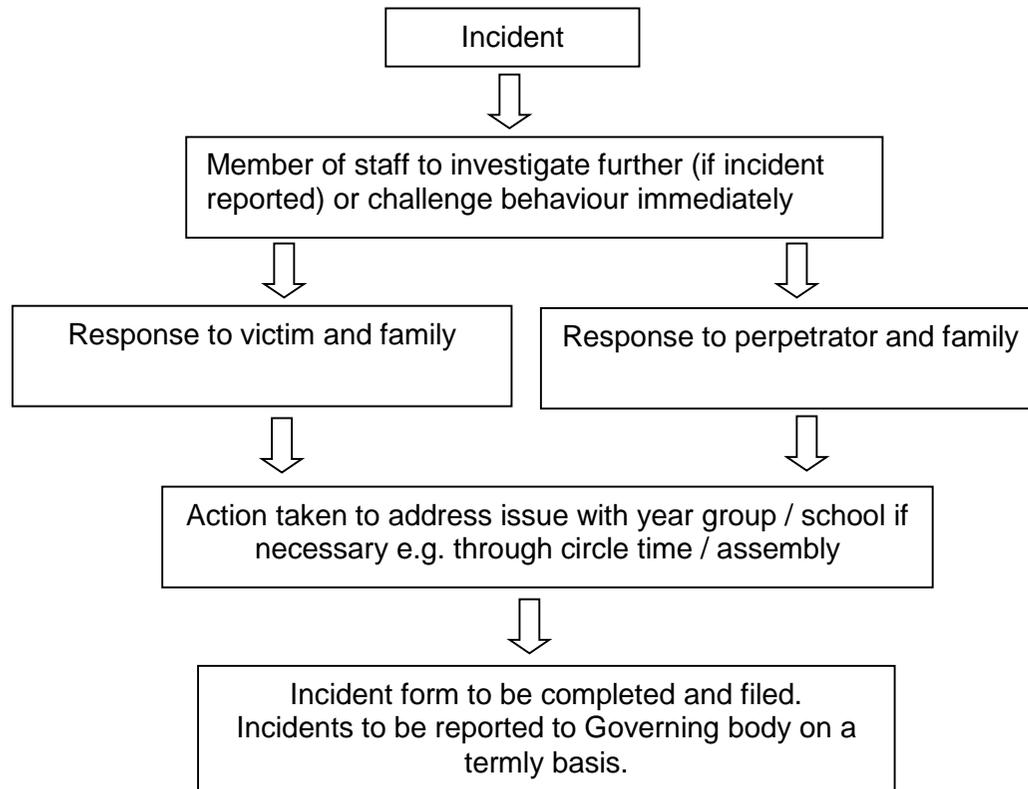

### **Check list for school staff and governors**

- Is information collected on race, disability and gender with regards to both pupils and staff e.g. pupil achievement, attendance, exclusions, staff training? Is this information used to inform the policies, plans and strategies, lessons, additional support, training and activities the school provides?
- How has your Equality Plan been shaped by the views, input and involvement of staff, parents and pupils?
- Is pupil achievement analysed by race, disability and gender? Are there trends or patterns in the data that may require additional action, and has action been taken to address these?
- Does the curriculum include opportunities to understand the issues related to race, disability and gender?
- Are all pupils encouraged to participate in school life? Are pupils who make a positive contribution reflective of the school's diversity e.g. through class assemblies / school council?
- Is bullying and harassment of pupils and staff monitored by race, disability and gender, and is this information used to make a difference to the experience of other pupils? Are racist incidents reported to the governing body and local authority on a termly basis?
- Are visual displays reflective of the diversity of your school community? How are minority ethnic, disabled and both male and female role models promoted positively in lessons, displays and discussions such as circle time and class assemblies?
- Is the school environment as accessible as possible to pupils, staff and visitors to the school? Are open evenings and other events which parents, carers and the community attend held in an accessible part of the school, and are issues such as language barriers considered?
- Are the accessibility needs of parents, pupils and staff considered in the publishing and sending out of information, in terms of race, disability and gender?
- Are procedures for the election of parent governors open to candidates and voters who are disabled?

### **Responding to and reporting incidents**

It should be clear to pupils and staff how they report incidents. All staff, teaching and non-teaching, should view dealing with incidents as vital to the well-being of the whole school.

At Lowton West Primary School there is a procedure for responding and reporting discriminatory incidents:
